

Submitter:

SUSAN PHILBECK

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

There are too many people who may be unable to vote in person, either for health/mobility issues, lack of adequate transportation or distance from voting stations. In addition, limiting voting the the day of the election only, may be impossible for too many citizens. Mail-in voting has been extremely successful and ensures every Oregonian has the opportunity to vote without restrictions such as this.
