

Submitter:

Christine Galgerud

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

We need to be able to vote by mail. As a healthcare provider whose job is critical, I can't stand in a 2 hour line and be late or miss a shift, neither can my coworkers. If we really want to know how the public feels we must keep voting by mail. My elderly mother cannot drive or stand in long lines, but her voice counts too!!
