

Submitter:

James McQuire

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote-by-Mail was unfathomably helpful during my time as a law student after I moved to Eugene. It allowed me the time to research candidates in my new home state and to vote more easily on my busy schedule. Those benefits persist today not only for me, but for everyone who else who chooses to vote in Oregon.
