

Submitter: Jonathan Ioviero

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Until there is solid evidence of mass voter fraud specifically enabled by the mail-in voting system, bills like this are just an insultingly transparent attempt to remove personal freedoms by raising the barrier for voting. If I was an elected official I would simply focus on work that improves the lives of my constituents instead of wasting their time and money on nonsense like this, but I guess that's why I'm not a politician.
