Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I vehemently oppose this oppressive bill. This does nothing but discriminates against and disenfranchises those that are elder, homebound, women, people of color and lgbtq. There is no reason for this bill other than the need to prevent people from voting. Since Republicans can't win on their policies, the only way they can win is to cheat, and this is a fine example of such.
