On Behalf Of:	My wife and I
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Hello

I am opposed to measure 210. I feel it would be a difficulty for many if we lost mail in voting. I also feel it would be a hardship on many with demanding schedules, parents and handicapped people.

In addition I strongly feel that if we lost mail in voting we would be losing one of our rights during an already difficult time.

Sincerely Jeff
