SB210

I oppose any bill or measure that seeks to restrict the ability of the citizenry to exercise their right to vote. Voting is a right enshrined by both our state and federal constitution alongside being a civic duty. Any attempt to restrict the ability of any citizen to exercise or perform said rights or duties goes against the values of our democracy. This bill will especially impede the rights of the sick, injured, and less fortunate who, through no fault of their own, are physically unable to attend in-person voting, unjustly forcing them to prove their incapability to attend in-person. Because of this, I as a resident of Oregon and of Multnomah County, cannot and will not support this bill under any circumstance.
