

Submitter:

Valerie Niggel

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose the measure to make in-person voting the primary/preferred/default voting method in the state of Oregon. Mail-in voting has proven to be an effective system and supports our democracy. The fact that some people are unhappy with the results of an election does not point to real problems or fraud in the system. Why can't our legislators focus their time on solving real problems?
