SB210

I oppose this bill to eliminate mail in voting in Oregon. I've been voting since I turned 18 in 2000 and I have always voted by mail. I cannot imagine spending the additional money and time to transition to the logistics of in person voting when it's the worse option for the state and for voters. Voting by mail makes it easier to participate in elections, it's secure and safe, and it allows me to make more informed voting decisions because I can take my time with the voters manual and do additional outside research. PLEASE do not take this away from us!!!
