

Submitter: Cynthia Hilderbrand  
On Behalf Of:  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SB210  
To the state of Oregon:

I am against the idea of in-person voting. The current mailing system has been a success and I see no reason to end it. I am a 68 year-old disabled vet with mobility issues. I would have a very hard time trying to vote in person. Mail-in voting makes it possible to carry out my civic duty of voting.

Sincerely,  
Cynthia Hilderbrand
