

Submitter: Debra McGee

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

Dear Chair Sollman, Vice Chair Smith, and Senators Golden, Pham & Robinson,

Please vote yes for SB 1187.

The fossil fuel industry has created a catastrophic mess and enjoyed huge federal subsidies and had few guardrails on their waste products, which over-heat our planet and cause destruction from unpredictable weather, storms, sea level rise, fires, heat & rain bombs and more. They caused this. They should pay for this. Their business model is destroying our children's future. We have an obligation to change it. Their externalized costs of doing business need to be "internalized." This bill would do that.

Thank you.
