

Submitter:

Constance Ohlinger

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this measure. Mail in voting has consistently kept Oregon voters active and I am proud to live in a state where we have the highest voter turnout. This bill would significantly decrease voter turnout, inhibiting many from placing their vote due to work restrictions and thereby silence the voice of people. This bill is entirely undemocratic and unOregonian.
