

Submitter:

Ben Munat

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This is ridiculous. We've had perfectly safe and legitimate vote-by-mail in Oregon for over 20 years. There is absolutely no reason to question this system now, other than a shameful attempt to make it harder for people to vote. Another word for that is disenfranchisement. I strongly oppose measure SB-210.
