Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this bill, and demand the state keep mail in voting open to all. Oregon has one of the most tax efficient voting programs, and very few fraudulent votes. This keeps voting accessible to all people, including those who work non traditional schedules, night shift workers, parents, people with disabilities, and people who lack transportation. Voting at home with the voters guide keeps Oregonians informed and allows them to vote at their own pace.
