

Submitter:

Lois Yoshishige

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I like Oregon's current vote by mail system. It gives me time to research and vote when I have the time. I like being able to give full consideration to each candidate. I don't like being rushed. Also, vote by mail insures more people who are Eligible to vote are able to vote. Let's keep making it easy for working people, parents and caregivers to be able to cast their vote!
