Measure, Appointment or Topic: SB210

I oppose SB 210. Mail-in voting has enabled accessibility for Oregonians to vote. It has also allowed myself and others the time to carefully consider our votes prior to turning in our ballots. Removing this method will disenfranchise those who may be unable to take the day off the vote or those who may not be able to leave their homes for whatever reason to vote. Mail-in voting has expanded voting access to so many Oregonians. Any changes to that can only be an attempt to disenfranchise Oregonians. I oppose.
