I'm so proud of Oregon leading the way by using vote-by-mail and ensuring that Oregonians have opportunities to vote at a time that is convenient for them. Every election I sit with my ballot right next to the voters guide and my notes to ensure I'm checking the right boxes. Vote by mail means that all Oregonians have the opportunity to exercise their right. In-person voting will only create more barriers that will reduce participation. Let's make voting accessible to all Oregonians. I know our leaders want to make sure we are all represented.
