Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose making in-person voting on the day of an election mandatory. Voting is a right that will be unnecessarily altered by creating this conditional hurdle. We know that mail in voting is effective and safe! It removes barriers for those who do not have transportation, who do not have a flexible schedule, who are traveling or bed ridden, who are home sick or nursing. May our Democracy stand strong and may all voices be heard on election day!
