

Submitter:

Nicole Arduengo

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a registered nurse with a sporadic schedule I would not be able to vote if I was working a day that voting took place on. Requiring people to be present in order to vote would prohibit many citizens from voting. People who are sick or in the hospital would

Be excluded along with those who are unable to take off from work.
