AS STATED ON THE OREGON SECRETARY OF STATE WEBSITE:  
sos.oregon.gov - DMV's review found clerical, technical, and policy errors that did result in individuals being registered to vote who DID NOT provide proof of their eligibility. AS OF FEB, 2025, the website states some of these have been forwarded to the Department of Justice FOR FURTHER INVESTIGATION.

ACTUAL Oregon RESIDENTS should be the only voters in elections impacting actual Oregon residents, NOBODY ELSE! WHY WOULD WE CONTINUE TO UTILIZE A FLAWED SYSTEM? THERE ARE PROVEN FAILURES STATED CLEARLY ON OUR OWN OREGON SECRETARY OF STATE WEBSITE. POLICY THAT IS STILL IN PLACE, NO MENTION OF CHANGE.

WE NEED VALID IDENTIFIED VOTERS, OBVIOUSLY THE PROCESS BEING USED IS NOT ABLE TO EFFICIENTLY FILTER OUT NON-VALID VOTERS.

I STRONGLY SUPPORT THIS BILL.

To label this bill as solely focused on in-person voting is VERY misleading AND SHOULD BE REVISED.
