

Submitter: Amy McCool

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly opposed this measure.

Per our secretary of state "The model that we have in Oregon is something that's a model for the country and allowing people the convenience of voting on their own time, using paper ballots that are signature verified, our systems are a gold standard in that respect,"

Given the lack of issues with our process, there seems to be no good reason to change it, unless the goal is to make voting harder for Oregonians.
