

Submitter:

Sean Worl

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Hello,

I have voted by mail my entire life here in Oregon. Given the level of uncertainty and lack of transparency, I believe we need to return to in-person, verifiable voting. I'm not certain if this measure will be the perfect format, but in order to restore faith in our institutions I believe it is necessary.

Respectfully,
Sean Worl
