

Submitter:

Mark Dirienzo

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please protect our Oregon mail in Voting system. It has worked flawlessly for the 27 years I have lived here. I've lived in three other States prior to Oregon and have experienced the inefficiencies of those places compared to the excellent Oregon Mail in system. Anyone supporting the idea of making voting more difficult for Oregonians should be sent a strong message to back off or be voted out.
