

Submitter: Connie Dunham

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2808

To the committee members,

The citizens of Oregon are already facing so many increased prices due to inflation the last four years, that to raise more fees is a burden that people will be very opposed to carrying. If we use the money we have in more efficient ways, I am sure we can function without this increase. This is unnecessary and mostly over regulation.
