

Submitter: Scott Strickland

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Chair Jama and members of the Oregon Senate Committee on Rules.

I am opposed to SB210. I am a lifelong Oregonian and now a senior citizen. Voting before mail-in votes was cumbersome and limiting for many citizens. We have decades of experience now with voting this way and know it to be reliable and accessible for all Oregonians. I am able to sit for as long as I need and examine the candidates before I vote. There are no barriers to submitting my ballot. I am pleased to see the high level of participation from all Oregonians, and I am comforted to know that we reach as many people as possible. Hearing all voices is the Oregon way. Please vote "No" on SB 210. Thank you, Scott Strickland
