Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am submitting my testimony on opposition of SB210.

As a former election machine technician in Virginia elections from 1990 to 1998, I am very familiar with the challenges of in-person voting. I have enjoyed Mail-in voting in Oregon for the past 25 years! It's a superior method to use for voting and I am impressed with the efficiency and security the signed envelopes provide. As well as the methods used to cure ballots.

This bill is a proposal that only benefits the few who don't want to see every Oregonian have the chance to cast their vote!
