

Submitter:

Michelle Arnold

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting increases access for workers, elders and others who may have difficulty getting to a polling place. Our country's strength is citizen participation in the democratic process. We do not have problems with voter fraud, despite significant efforts to unearth evidence by folks who want to take control of our country. Please do not pass this measure.
