Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This is a blatant attempt to disenfranchise Oregon voters by a minority party. Oregon's vote by mail system is the envy of the nation, providing easy and transparent voting access to all Oregonians. If the country adopted our system, we would all be better for it. We should be promoting it to other states not trying to roll it back.

This proposal is bad for Oregon and bad for democracy.
