I am strongly opposed to SB210, Voting by mail is a convenient and fair way for Oregon citizens to vote. Cases of vote by mail voter fraud in Oregon are exceedingly low. In person voting only on the day of election is problematic for many people and the exceptions for getting a mail in ballot are quite contrived and limiting. I fear that many people will lose their right to vote that they currently have due to the newly imposed voter registration requirements. This would amount to voter suppression. The citizens of Oregon deserve better.
