

Submitter:

Lori McPherson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

When Oregon originally went to mail in voting I wasn't happy because I felt if people were too apathetic to go to the polls they just shouldn't vote. I now know that there are many voters who find it very difficult or impossible to go to the polling place. I believe that Oregon vote by mail has been proven to be an effective voting method.
