Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Ain't broke, don't fix it! Mail in voting means higher turnout and inclusion of a more diverse and representative population. People who would otherwise not be able to voice their participation in the democratic process that is so much in jeopardy, and that is what makes the United States a beacon of possibility deserve to be heard, and included in the direction of our government. The only reason to eliminate this inclusive right is to attempt to clamp down on freedom of expression and free speech.
