

Submitter:

Jeffrey Mills

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please retain vote by mail as the standard voting process in Oregon. I want to receive my ballot in the mail and return it that way. It is highly convenient, gives me the opportunity to study the ballot and ensure that I am voting correctly. I believe it encourages citizens to participate in the process. I see no downsides to continuing to conduct elections in this manner.
