On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Natural Resources

Measure, Appointment or Topic: HB5009

With the devastating effects of climate being felt by all, we need to protect the natural habitats in our state.

I'm urging the co-chairs of the Ways & Means Natural Resources Subcommittee to please make sure that the Private Forest Accord is fully funded by the Oregon Department of Fish and Wildlife budget (HB 5009).

Thank you for all that you do.
