On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am a proud Oregonian and I love to vote by mail.

Vote by mail makes voting equally accessible to all members of our democracy. Individuals that have demanding work hours can vote just as easily as a retired grandfather or a college student.

It gives all participants time to research and consider their votes without the pressure and stressful environment of in person voting.

Individuals can always go to a voting location in person if they choose, but that should be the exception and not the default.
