

Submitter: Tara Olofson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

My name is Tara Olofson, and I am writing to strongly oppose SB 210. This bill threatens the accessibility, security, and success of Oregon's elections by severely restricting vote by mail, imposing unnecessary voter ID requirements, and creating barriers to participation for many Oregonians. I urge you to reject SB 210 and protect Oregon's history of fair accessible, and secure elections.

Thank you,

Tara N Olofson
