

Submitter: Amy Herold

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail in Oregon has been in affect almost as long as I can remember. It makes it possible for as many people to vote, that would not otherwise be able to. Many voting age people are not able to afford to take time off, allowed to take time off to vote, or have access (cars, transportation, disabled, proximity to a voting poll location). Voter suppression should be illegal.
