Hello Oregon State Legislature Members,  
Please oppose today's vote on SB 210.

Oregon has one of the longest, proven most secure and trusted vote-by-mail systems in the country. Switching to in-person voting would be unnecessary, expensive, and disruptive.

We don't have the infrastructure or the funds to support full in-person voting. This bill creates chaos where there is none.

It's not about fixing anything — it's about breaking something that works.

Let's protect our democracy. Please vote NO on SB 210.

Thank you for your time and consideration.
