Re: Oregon Legislature (SB 210) Statement of Opposition

Thank you for the opportunity to provide written testimony on SB 210

I am writing to voice my strong opposition to this bill that Makes in-person voting on the date of an election the standard method for conducting an election. There are numerous reasons why in person voting is difficult. Why put up barriers to seniors, active duty military, those with disabilities, parents, workers, and more. As credit to the current system, there is no significant voter fraud to justify a change, increase cost, and once again make it harder for people to vote.

We are Oregonians and know that there is ZERO fraud in our current voting rules. Let's stop the ridiculous waste trying to fix something that is not broken. Spend the time fixing the roads, helping the less fortunate and not kowtowing to conspiracy theorists of the conservative establishment.

Thank you again for the opportunity to provide feedback.
