

Submitter: Jesse Longhurst

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon has had a successful vote by mail system for many years. Ending that is a terrible idea and would drastically reduce voter turn-out. It would also be hard on employers and their employees who would need to miss working hours. This would also disenfranchise rural Oregonians. Don't break something that we fixed decades ago!
