Vote by mail has worked amazingly well for decades. The Nazi Republicans are afraid of fair elections.

Do not let them take away a way for people to easily vote! It should be easy. Vote by mail has been around since the Civil War.

Republicans do the cheating.

Do not let the fascist regime in DC steal
Our freedoms.

Honestly, this is less eloquent than I like but I am furious about the destruction of our incredible country.

Stop the Trump regime from infecting our state! Maintain Vote by Mail!!!
