SB210

I am writing to express my opposition to SB 210. I moved to Oregon ten years ago. One of the best things about moving here, is the ease of voting in elections. I work in the retail grocery industry. If I had to vote in person, I would most likely not be able to vote. I do not have Tuesdays off and often work shifts that would not allow me the time to vote. This is a way of silencing my voice and essentially taking away my right to participate in an election. I do not understand why anyone would want to change the current voting system. Voting by mail doesn't only make it possible for workers like me to vote, it gives opportunities for people who don't have the transportation or means to vote in person to participate in elections. Please vote no on this bill.
