

Submitter: Sandra Walden

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3372

I am in support of HB 3372 that would allow commercial gardens to be watered from domestic wells as long as the garden is 1/2 acre or less and with a daily gallon limit. We are supportive of this solution as discussed. It will support economic recovery of small farms and rural properties.
