

Submitter:

Margaret Conley

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please keep vote by mail. It encourages so many more people to vote, as well as allowing us to peruse the ballots at our leisure and vote whenever we have time to focus on them. This makes so much more sense than making people take time off work and lineup in all kinds of weather whether they're feeling up to it or are prepared.
