

Submitter: Joan Levine

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon has one of the highest voter turnouts in the country because of our ability to mail in our ballots, coupled with automatic voter registration with getting a drivers license or an ID card. It's unconscionable for anyone to want to change such a good system. People who want to vote at the ballot box day of are more than welcome to do so. it's essential to provide such a choice.
