

Submitter:

Michael Trubman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I work full time as an emergency room nurse in rural Oregon. I worked between 6:45am and 7:15pm. I frequently work on Election Day. Without mail in voting, I would often not be able to vote if I had work scheduled. I am strongly against in person voting for that reason.
