

I am writing in strong opposition to SB 210. As a soon to be parent who works full time, voting in person would place an undue burden on me as a citizen. I am proud that Oregon consistently ranks near the top in voter participation. This bill would cause that participation to significantly fall. Voting by mail allows me to be an informed voter and reference the Oregon Voter's Pamphlet while voting. Oregon's mail-in voting program has had bipartisan support for decades and should NOT change. Please, do not make it harder for Oregonians to vote.
