SB210

I oppose this bill because it is blatantly discriminatory, anti-voter, anti-accessibility, and anti-American. The right to vote includes ACCESS to voting and is an inherent right of all Americans.

According to the 2020 Census, approximately a third of all veterans have a service related disability. 28.4% of all Americans live with a disability (CDC, 2024). By removing vote-by-mail we implement a significant barrier to access, not to just our vulnerable populations, but we dishonor those who have served our country by preventing them from engaging in the very thing they swore to protect - our Constitutional rights.

To repeal vote-by-mail is undemocratic and immoral. I wholly and unreservedly oppose SB210.
