Serena Olive

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB110. I like taking my time to research before voting by using my voters pamphlet and really consider my choices. Mail-in voting allows me to make the most informed decisions. In addition, mail-in voting has been supported for a long time and gives Oregon one of the highest voter turnouts. High voter turnout is something to be proud of! Civic engagement is so important. Leave mail-in voting alone.
