Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

It is so much easier on American people to have access to mail in voting. Not everyone has the luxury of taking a day off to stand in a long line to be able to vote. Not to mention, in November the weather forecast is unpredictable.

Mail in voting has worked for decades. Why stop it now? Why would you limit the voices of the American people? Who would that benefit?

I am firmly opposed on this measure.
