How are 3, 4, or 5 chain of custodies better than one. Vote by mail gives nefarious people more opportunity and easier access to a ballot. This ultimately result is a disenfranchised voter. It opens opportunities for ghost votes, phantom votes, or illegal votes to slip through the cracks much easier than if a person were to show up in person.. with proper ID....on video!! Instead of making it as difficult as possible to cheat, we are making it easy, and one of the easiest ways is mail-in-voting. No amount of reassurance will change the facts
